Butterfly Beauty offers a wide range of treatments to suit everyone. From waxing, epilation, N.S.I. acrylic nails, massage, make-up (using Lilylolo minerals) and pedicures to holistic treatments such as aromatherapy, reflexology and reiki. Also available is a red vein clinic which helps reduce unsightly broken capillaries and the ever popular St. Tropez Ultimate Air Tan.

Your skin will be cared for with Gatineau products with a wide variety of facial treatments available. As well as caring for your face body spa treatments are available to relax and pamper.

To keep your hands looking good we provide expert care using the renowned Jessica products and nail colours. There is a specific product formulated to help correct most problems in the range and to maintain good condition with an expert polished finish each time. For a longer lasting manicure Geleration gel polish is also available in a range of fantastic Jessica colours. As an alternative to polish you can also try Minx or Kooky nail wraps on fingers or toes.

Eyelash treatments are ever popular and so as well as tinting and perming we also offer Eyelash Extensions. For parties we advise individual or strip lashes but we also offer semi-permanent extensions for a longer lasting and natural lash.

Packages are available to suit each individual occasion. This may be wedding or hen party or pamper nights for a girls night. Whatever the reason we can coordinate a package with great offers.

So if you are looking to transform yourself from a caterpillar into a beautiful butterfly why not phone or email for an appointment and let us help!

CRYSTAL CLEAR MICRODERMABRASION

'Flawless Skin In An Instant'

A celebrities' and A-listers' favourite, Crystal Clear fans include the Duchess of Cambridge, Kate Moss, Gwyneth Paltrow and Colin Firth – it's the ultimate star choice for silky smooth, younger looking skin.

Crystal Clear Microdermabrasion uses ultra-fine diamond-hard aluminium oxide crystals to buff and polish the skin, gently removing dead skin cells layer by layer. The crystals are then vacuumed back up along with the exfoliated layers of skin, encouraging collagen re-growth, boosting circulation and improving lymphatic drainage along the way. The gentle vacuum action also achieves an immediate lifting effect on tired muscles so skin looks instantly rejuvenated.

With none of the downside of invasive treatments, Crystal Clear Microdermabrasion instantly improves the texture of the skin and works on removing fine lines and wrinkles, clearing blocked pores, acne scarring, refining sun-damaged, ageing skin and as a beauty flash treatment for dull, tired-looking complexions.
